# SECTION C: SUPPORT THE SYMPHONY’S ANNUAL FUND

This spring, you have the opportunity to help The Phoenix Symphony expand our essential role in your community. A \$1 Million grant from Virginia G. Piper Charitable Trust, to support the financial capacity of The Phoenix Symphony, now enables us to seek a match for the Trust’s investment. That means every tax-deductible gift we receive in March will be matched dollar-for-dollar up to \$1 Million. We hope that you will help us make the most of this opportunity. The money raised from the \$1 Million March Match will help support the musical excellence of The Phoenix Symphony, which will allow us to continue our groundbreaking education and outreach efforts and the development of community collaborations. Please consider a new or increased gift to the Symphony today. And remember that your gift, however large or small, will be matched dollar-for-dollar through our \$1 Million March Match, doubling your impact!
