the phoenix symphony

Dear Symphony Friends

On behalf of our Board of Directors, Musicians, and Staff, thank you for your continued support of The Phoenix Symphony.

Each year, your commitment to the Symphony impacts our community. You are an instrumental part in ensuring the Symphony provides the highest quality and most innovative musical experiences in Arizona. Because of your support, we were able to bring the joy of music to over 125,000 community members through education and community outreach initiatives this year.

Our accomplishments, both in Symphony Hall and in the community, are only made possible because of your dedicated support. We believe that thriving arts organizations lead to a thriving community, and we can't thank you enough for believing in and contributing to our mission to provide the joy of music as a catalyst in helping Arizona become the best place in America to work and live.

Sincerely,

JIM WARD

We got to clap and sing. We got to see them smile. I got to see a wife smile when her husband took her hand. One person, that you can't understand when he speaks, I could hear him singing across the room. What is that worth? I don't know. I can't put a price tag on that.
